

Petroleum Club of Western Australia

INTRODUCTION TO THE PETROLEUM INDUSTRY SEMINAR 2017

The Introduction to the Petroleum Industry Seminar is a one day seminar designed for those people who wish to gain a broad understanding of the Petroleum industry at an introductory level. The modules cover the whole life cycle of a project from exploration through development to refining, operations and abandonment.

The seminar is recommended for people who supply services to the petroleum industry (finance, law, engineering, etc), administration staff, new employees or those looking for employment. The modules cover the whole petroleum story, delivered by industry experts, in an interactive and informative manner. This seminar is designed to be a valued inclusion for your induction program.

Participants receive a Glossary of Terms and a Certificate of Participation. The seminar is conveniently facilitated in the Perth CBD.
